

Good Medical Device Repair Doesn't Have To Be Slow

**Tired of being asked, "Isn't that scope back yet?"
Total Scope has got you covered.**

- **5.8 hours to complete minor repairs**
- **18.4 hours for major repairs**
- **90% of repairs completed the SAME DAY**

Think of it – you'll have all of this at a lower cost.

- Less down time
- Fewer complaints from physicians
- Less patient juggling
- Fewer loaners to track down

See for yourself how quick good medical device repair can be.

- Request a Quarterly Turn Time Report from your sales representative.
- Call our toll-free number for same day device pickup.
- Contact our service reps anytime for instant repair status.

Experience the speed and reliability of the repair experts at Total Scope.
